GEYER Jakob b. 1770, d. 21 Sep 1822 in Tscherwinka, reformed, married **KÖHL**, Elisabeth b. 1775, d. 23 Dec 1837 evangelic.
Children: Johann Nikolaus b. 13 Oct 1799, married 21 Oct 1819 Krieger Mar. Elisabeth Reinhardt. By memories of Mr. Dipl. Farmer Nikolaus Geyer, the Geyers emigrated from Baranya to Tscherwenka. Perhaps they came to Hungary from Elsaß before the great emigration of protestants before 1784. During the movement in settling many Elsaß families in Tscherwinka and Sekitsch, there was a Geyer line, according to the Sekitsch OS book, from Darany to Sekitsch. Church books of Darany only proof that a Nikolaus Geyer from Barcs did the table maker work for the new parish house of Darany. Marriages of the first three generations with wives from Elsaß, Köhl, Krieger and Schmidt, makes the presumption that the familie Geyer also comes from Elsaß. There it is a popular name. A Johann Köhl died on 1 Oct 1784 in the winter quarters. At age 40, Elisabeth could have been his daughter who settled in Tscherwenk with her mother and siblings. Köhl is a popular name around Weinburg, Elsaß (Hefner).
