About the arrival of cloth weavers and cloth manufacturers in Bialystok to settle in Russia December 1809 – September 1810

This file contains lists of Colonists who crossed the border from Bialystok (on the border of the Duchy of Warsaw) into Russia at Grodno (now in Belarus). The file is written in Russian and consists of 25 families. It names the head of the family, the individuals included in the family with their relationship to the head, ages, and places of origin.
