

DORFPLAN MARIENTAL 1943

Source: Memories of the German colonies of the Grossliebental Rayon near Odessa by Eduard Mack
Submitted by Pius Waldman

1512 souls 229 households

The dorfplan has location of schools, farmland, gardens and streets, Households had more than one family sometimes 1944 the dorf was abandoned as the German Army was retreating after a few years of occupation. Russian Army was advancing and souls left as fear of death was projected. The dorf plan is located at <http://www.blackseagr.org/maps/Mariental.jpg>.

The head of the households are listed but not all have complete first name due to space and also maybe because unknown. This is an alphabetical listing by surname.
